Mt. Tremblant has been perennially ranked the number one ski resort in the east. The mountain boasts 2116 vertical feet, 102 trails on 755 acres with 14 lifts. Trails encircle the mountain on both north and south faces. There is ample skiing for all levels including 22 novice, 31 intermediate and 49 expert slopes (and 178 acres of glades). The spectacular pedestrian village creates ample opportunity for dining, shopping and entertainment. There are numerous off slope activities including cross country skiing, snowshoeing, snowmobiles, dog sledding, ice fishing, ice climbing, winter ziplining, and a small casino.

Additional info:

Savings! The US – Canadian exchange rate is currently \$ 0.75 USD to \$1 Canadian. Hotel reservations and group ticket reservations will be made individually using a group code. The late March trip timing offers longer days, warmer temps and much reduced lodging costs (avoiding the Quebec and Ontario school holidays). The U Drive format offers the best safety for a small group during the pandemic. **The hotel offers a generous \$0 fee cancellation policy up to 3d before the trip if we cannot travel to Canada. Currently Canada is restricting all non-essential travel from the US to Canada due to the pandemic but we are hopeful.**
