Sommet des Neiges hotel lies right at the base of Tremblant, at the upper end of the pedestrian village, allowing ski in/out access to the slopes. The hotel offers 1-3 BR suites, each with a full kitchen for guests who prefer to prepare their own meals or avoid a crowd. Amenities include an outdoor hot tub, sauna, fitness room, ski and snowboard lockers, wifi, and concierge service.

At the current exchange rate of 0.82 US dollar to 1 Canadian dollar  
1 BR King +sofa bed ~\$708 USD total for 6 nights  
2 BR K/Q +sofa bed or K/2Q + sofa bed ~\$1097 USD for 6nights  
3 BR K/Q/Q+ sofa bed or K/Q/2Q+ sofa bed ~\$1254 USD/6 nights

Mt. Tremblant has been perennially ranked the number one ski resort in the east. The mountain boasts 2116 vertical feet, 102 trails on 755 acres with 14 lifts. Trails encircle the mountain on both north and south faces. There is ample skiing for all levels including 22 novice, 31 intermediate and 49 expert slopes (and 178 acres of glades). The spectacular pedestrian village creates ample opportunity for dining, shopping and entertainment. There are numerous off slope activities including cross country skiing, snowshoeing, snowmobiles, dog sledding, ice fishing, ice climbing, winter zipline, and a small casino.

### Additional info:

Savings! The US – Canadian exchange rate is currently \$ 0.82 USD to \$1 Canadian. Hotel reservations and group ticket reservations will be made by each individual using a group code which will be provided upon your commitment. The late March trip timing offers longer days, warmer temps and much reduced lodging costs (avoiding the Quebec and Ontario school holidays). The hotel offers a generous \$0 fee cancellation policy up to 3d before the trip if we cannot travel safely. Consider your need for trip insurance from companies like Allianz, Travelex and many others and decide if you want "All Cause" cancellation insurance.
